Avadyne Health Moves to Support Future Growth!
Ribbon Cutting Ceremony Scheduled for Friday, July 15th at 11:00 a.m.

Moline, IL – A ribbon cutting ceremony has been scheduled at the new location, 5320 22nd Avenue in Moline, for **Friday, July 15, 2016 at 11:00 a.m.** Press is invited to attend.

The new 20,000 sq. ft. open space, corporate office building houses 150 workstations, 13 satellite offices, three conference rooms, a training room, and a break room. “This new location provides growth potential for our expanding business while reaffirming the positive relationship we have with the City of Moline,” stated Moises Eilemberg, CEO of Avadyne Health. “Russell created a beautiful and functional building for existing and future employees who serve our clients across the country. We look forward to our ongoing presence in the community for many years.”

Russell’s Real Estate development division started the ball rolling with this \$3.8 million project by assisting Avadyne with site selection and city incentives. The selected site was purchased by Russell and leased back to Avadyne through a build-to-suit arrangement. The construction and design team includes a long established working relationship between Russell and Shive-Hattery Architects. For more information on Russell or Shive-Hattery, please visit their websites at www.russellco.com and www.shive-hattery.com.

Avadyne Health provides outsource revenue cycle management services and workflow software solutions to more than 275 hospitals/healthcare systems in 38 states. For more information on Avadyne Health, please visit their website at www.avadynehealth.com.
